

Welcome back

To all our treasured customers and our business partners.

We've been busy designing a quick and simple way for us to share:

- New Ideas
- General marketing issues/news
- Recent projects
- Any achievements
- Some of the fun things that happen inside
- Plus an Ask us why section.

This is designed as a quick read pictorial. We will be sending our newsletter once a month, we hope you enjoy it. If you do please tell a friend. **Please tell us if you don't wish to receive our newsletter or you can use [unsubscribe](#) option.**

And the Winner is!

Following Judging of the 2007 Australian Achiever Awards for Advertising, Marketing & Public Relations Services. Hope AD achieved an excellent result of 91.06%.

This shows our customer service approach is one of the highest standard. The Australian Achiever Awards is an annual customer survey that benchmarks our business against other Australian businesses in the same category. I would like to personally thank our treasured customers and business partners for their support and our wonderful staff who always go that extra mile.

Here's what they said about us.

"I am most impressed in how they really want to understand my business before they enter into a marketing campaign. I must say that after many years of dealing with them, the staff Jeremy selects are very impressive and they all have excellent knowledge of my business. They really understand your business and the marketing and advertising business. I find them to be very diplomatic, polite and honest and to be a very polished outfit"

Richard Martin

The Door Store

"They have the personality and culture to respond to get to know the business. A very professional, high integrity business willing to expose themselves to keep up with management principles. They strive to get better and better and this shows in the quality of the people they employ. For a small business they are right up there with the big boys"

Norm Thomas
